UNlocracy.ORG is your new society run FOR, BY, and OF all 7.7 Billion of my people. Anti terrorist and all other crime ring networks will scream bloody murder their secret web based enterprises are identified with FOIA.ONE. Open Circuit TV is part of the new all digital resource based Interlink (Internet) free open public source network as our people now control all access to their own data to alleviate all privacy right concerns. Protecting your future are the plans of total salvation. No one in history of legendary purpose has ever successfully road mapped a new world society free of almost all crimes. Criminals, politicians and most corrupt corporate executives never pay full taxes to support the infrastructure of their domains. With full scale assault deployment of eVOTE.ONE, everyone becomes teenMM.com solutionManifesto.com free trade, travel, and trust co patriots who fearlessly protect the rights of all others to ensure no crimes ever go unpunished by the Will of Large number Majority of those affeted.
