I continue to be most severely persecuted by so many. My health determinate deteriorates from inadequate nutrient and exercise. Growth of wisdom and knowledge is key for my world to prosper and thrive. I watched Netflix Serenity movie last night about pure imperialism greed.

Hiking today at victory Creek Park on Chatachoooo nature park. I cried out to Jehovah 3 times while walking asking why GOD has forsaken myself and my growing teams. Jevovah witness friend called me at noon with return call at 3 pm today to discuss strategy and GODs kingdom. I have little energy left lately and so very few resources I earned since I started work for my uncle age 13, year 1971. I just met worker for habitate for Humanity Atlanta Intl Headquarters. I gifted them solutionHousing.org and briefly described evote.one

not her GOD moment in time as I visited habitate Philippines Manila many time and got ZERO response back from their executive staff. TOO busy like everyone else putting out political fires and fighting greed among our people.

The river flows past fast as they are generating power today. Otherwise the river flows less than 1mph normal flowage. SolutionSafewater.org I gifted to a young lady from tennessee who knows all about TV. A lone kayaker without wetsuit paddles by. Gorgeous million \$\$ homes border the river as many are corporate executives or retired persons who are capitalistic extremes. Mark Primosigh may return Atlanta Wednesday. My two sons refuse to contact me back. I even text and voidemailed my very ex wife Sherry Duncan about her crimes and why she needs to go to FBI with or without me.

I amusing my apple by mini keyboard for speed on my iPad Pro that has broken screen and home button. I mark eVote.ONE Direct Democracy on the overlook railing in bold blue marker. Can anyone track where I have been and what i have done for humanity as the #1 counselor and Prince of Peace. The weight of all governments has been on my shoulders for +11 years now, actually longer. This was in bible verses about Christ just this morning. Gods clouds drift by lazily as the temperature hovers around 64 in the sun. Church bells ring at 12:53 from Roswell ?? A Mexican family takes selfies. They could have been using phonecradle.com IseeStand.com = I stand.com . it is a long river way to the coast as gigawatts of free power can be generated with simple technology and weather monitoring. The grandest power in the world is GOD;s rainfall and storms. Few harness anything of true value. Another Proverbs.

I am organic in mortal nature. 60 years old post DOB 1958-08-15 that is my FOIA.one Intl 001-19580815-000001 universal identifier. I remain extremely isolated and lonely from my people, all 7.6billion of you. All because of predatory greed and lack of intervention by anyone who is tasked to uphold Constitutional Law. Solved forever with SolutionManifesto.com. Time to return back to my transitional housing condo to ?? Take a nap or ?? Who knows....? Only GOD.

Dec 23, 2018. Sunday. Extremely liturgic and lethargic for variety of divine reasons. Last broadcast was Sunday Dec 2, 2018 as much has occurred since then. I have booked one way flight back to Manila Jan 11-12 2018 historical return on less than \$400 USD left to me full name. Went back to JW.org church Sat 10:30am and invite to after lunch. I have been visiting as many top churches, gov leaders, and press this entire time in GOD's purpose to unify mankind with EVOTE.ONE and ChristDomain.com Most would be Stark raving mad after having so many crimes committed to deny all rights at all levels of government, corporate, church, and civic platforms.

not much left to add at all. Many active websites can not be renewed for lack of my people and governments SUPPORTING my teams. So they go dormant. At least they are client3635.wix.com/ "domain' free based.

Nov 18, 2018. Back at **NorthPoint Community church** with audio1 11:28am.

Low attendance because of Thanksgiving school week break. Topic is LOVE today by a live lady pastor who speak on different aspects of LOVE exchange. She lived overseas in a drug invested infested neighborhood that also had mental disabled persons. K: GO figure. One causes the other. [SolutionDrugs.com](#) Unconditional love. Song of songs quoted. People are prone to be flat lined because of their lack of education. Drugs are used by USAGOV to eliminate victims of organized crime and the most corrupt systems in world history (known as holocaust end times. (Keith).

Pastor has Give Serve Love T-Shirt. The main sanctuary is full, 2nd is 1/4. John 12:1 and Mark 14. Jesus anointed at Bethany about perfumed preparation (performance). She has example of 'Star Wars' characters that her young sons can only represent the Best Side Force. Anakin youngster becomes Darth Vader switch. Mark 14 shows same events followed by 'The Last Supper'. 11:41am audio1 she speaks about brain MRI on emotions and LOVE which sections 'LITE UP'. Attachment, hormone production, and other key brain centers are activated to respond to different stimuli. To GROW in LOVE is a scriptural basis for all [ChristDomain.com](#) = [SolutionGOD.org](#) ministries.

Pastor speaks on gifts for Valentine days. She suggests 'can we pray about it, as an excuse to 'buy time''. Her son gave out 'tracks'. Is there any better way to express LOVE than to teach about Jesus ministries. Are you willing to take risk(s). I get a little teary eyed. Christ died out of commitment to LOVE others. Her quote: 'Every day, ask yourself "Will what you want to do, move you CLOSER or further from Jesus. ?" '.

11:51am Decisions about application of LOVE will indeed, change your world. K:Mine is already changed yet few notice or care. 11:52am speaks on street ministry for homeless. Volunteer for helping unfortunate is not about 'DO YOU HAVE MONEY, are you getting PAID to serve others?'. Sermon ends.

Sept 16, 2018. ### World Re-Broadcast to MY 7.6B people, worth megaTrillions in Economic Redistribution of ALL crime assets. Back at VineYard Community Covenant Church with Pastor Greco Belgica who is on Duterte's Presidential Anti Corruption Commission with my friend Dante Jimenez who I met at New World Hotel Ermita back June 2017 same day as he filed impeachment court case against DOJ Supreme Court Chief Justice Serenos. Much has happened this week in my GodFather's name as even GOD has not direct intervened for decades because OF THE SIN of man. The Sermon is in Tagalog as Gloria Reyes translates occasionally for me that Grego is exposing the worst corruption issues to Duterte as part of his God centred ministries. I start voiceRecord1 11:25am on macbook. I did not bring my pro Yeti USB Microphone. I did video record iPad 11am outside about WHY my teams (primary is myself) have asked to directly talk to Duterte for now +2 years per the most formal requests ever made to UNIFY mankind by our WORLD Leaders actually using these divined ordained methods known as plans of salvation.

Leviticus 20: 1 is Punishment for sins. These are extensions of the 10 Commandments that were never mere suggestions or guidelines. The new 10 commandments are SolutionManifesto.com updated just last evening. Verse 6 is most compelling. God states he sets his face against anyone who turns to mediums and spiritist to prostitute themselves by following them, and HE will cut them off from his people. This includes the con-artists who hack and hawk victims into gambling, bars, prostitute brothels on the false promise they 'DESERVE a BREAK'. The true fact is they are coerced into breaking away from their assets, cash and reputations. For old adage 'What goes on in Las Vegas, stays in Las Vegas'.

The sermon continues mostly in Tagalog. At 11:32 am he speaks about 1,000 years. WHEN did this begin? Was it year 1011. He speaks about discerning the difference between right and wrong. The body of believers is Romans 12, the body of Christ when everyone focuses on their best attribute talents by contributing to the best common good value benefits of mankind. This is also what I have taught along with famous CEOSPACE.NET featured on SolutionManifesto.com I am reviewing and preparing latest Videos and historical Photos on Macbook for IseeJustice.com #1057 video.

Why does it take almost 11 historical years for ANYONE to see that ROSE is AntiChrist, since now 7 years are about to pass of extreme most severe persecution since I already legally filed prosecution charges against each and every criminal who defrauded myself as I was indeed held HostageForProfit.com and even remotely created RescueKeith.com with 2 videos broadcast from INSIDE hell jail Virginia way back in summer of 2012.

Garbage Truck beeps 11:42am as many people work on Sunday for self pay. I work for GOD on SUNDAY just like my FatherGod Jesus did 2,000 years ago. Without the shedding of Blood, there is no remission of sin. John 18:12-14 shows the High Priest Caiaphas is the one who orders Christ murdered since Jesus had overturned the temple idol worship trading tables. This is ProfitShareHolders.com FinalStockMarket.com kBitCoins.org that creates new world barter only exchange system.

Video played 11:47am. The Day of Atonement is the most sacred Sabbath day of 10th day of 7th month of Jewish calendar. I was at Glorias church June 10, 2018 Christ the Living Stone as I just meet Bishop Danilo last night at Gloria's Brother Remy 40th wedding anniversary at Neapolitan Brittany clubhouse. Last Friday, I was speaking directly with +4 ambassador embassies requesting immediate debriefing of them so THEY will contact their Presidents + Prime ministers and Press.

John 18: 19-onward. As Jesus asks Why question me? Since he only has spoken the absolute true. This is IseeJustice.com and all aspects of Iseelunderstand.com Video speaks about fasting. Repentance by discipline self denial. Also used to express remorse and lament mourning. Reminds me of criminal US Marshal Van Grady and USA Embassy Manila named Lamont Siller who also violated laws despite my direct only truth to GO to top officials. Greco continues 11:57am as my MacBook audio is so low I doubt it can be enhanced by those who finally get these broadcasts. Same as the original Nov 14, 2010 video ROSE's endangered children that was centre of 3th 4th kidnapping + massive coverups of cybercrime.

Sometimes I remind myself to BREATHE in the Breathe of GOD. Blood sacrifices are explained as Day of Atonement or Day of Ransom as these are the replacements. Roman Catholics practice the Sacrament of Sacrament of Penance Dec 14, 2017 broadcast and on famous ChristDomain.com word of COUBON. My macbook screen just went blank for 10 sec. ODD.

World Re-Broadcast to MY people 7.6B worth megaTrillions in Economic Redistribution of ALL crime assets. **Sept 9, 2018.** Destruction of all crime networks is exactly WHAT GOD and integrity driven my people complete every time massive corruption of crime-sin-greed of AntiChrist groups drains the lifeblood souls out of humanity. Like a demonic vampire, the reactionary forces of crimes brainwashes my people to falsely believe that nothing can ever be altered in present reality to restore the Garden of E.D.E.N. God's paradise. This has been the central cinematic theme focus of all these missions of true social peace and enforced integrity justice of the Last Testament. The ultimate battle of life and death is the nemesis of

satanic forces of theFinalTerrorist.com that are easy to terminate with the perfected ordained divined solution answer methods of builtByKeith.com. Will ROSE succeed in overthrowing your world along with his dominions of arch fallen angels. These are the most dangerous black-hat cyber crime terrorists who secretly invade your homes, corporations, churches, public arenas, and even your places of sin including the bars, gambling casinos, prostitute brothels, and luxury condo hotels including OneOceanBahamas.com.

What is the only singular answer to reform unify mankind? UNITYurl.com is the mediated forums held in your communities to pro-actively solve each and any issue therefore almost NO government or taxes will ever be needed to the end of eternity. The scripture of 10 commandments SolutionManifesto.com with the commandments of the Human=God Bill of Rights (HGBOR) with public listed world trade agreement is the prime requirement Constitution for all my 7.6b people. SolutionMilitary.com is the new 3rd arm of society to ensure no corruption and crime can exist if the local police refuse to deal with the most obvious collective crimes committed by these hardened lifetime criminals. With FOIA.ONE open public blockchain kBitCoins.ORG based repository database, mankind no longer has any secrets or need for any privacy. Our Children are now free citizens to be our new leaders with WorldSchoolFund.com as open free communication occurs over the pre-wired fiber Optic (amateur Radio HAM backup) Max-Internet cluster network. The prime requirement is for all is: "Act with the authority of Fearless People to protect the rights of all others". The focus is on the welfare, benefits, and value of ensuring our fellow man is protected from the abuses of others BEFORE one considers protecting oneself. Ironically, the phrase 'willing to die for one's country' is a misnomer. The warfare of political gorilla tactics is for sinister leadership to brainwash their slave traded cult dominions to believe they must DIE for the common good 'GOD' of their kings and queens. Once all national barricades are reduced to ashes, the Phoenix of the resurrection White Eagle is the banner of true world righteousness. Identity theft and slander false witness lies are the root of all massive corruption crimes against humanity as those who control our data information repositories and information network pathways have total dominion over all aspects of God's world.

Clarity and mindfulness are focal points of seeing reality from all angles. Anyone in world can see that no expense has been spared to unify mankind with this prime series of master sage guru teaching stepped methods. For steeped in the original mysteries of man are the answers on why man is so devious in primal nature in the constant strife to rape, pillage, plunder, and murder as the ultimate conspiracy Pirates of evilly acquired fortunes. Moral compasses are a true rarity as most people self gratify themselves by avoiding the reality of their own short lifespans and attention spans that seldom bridge the dark hole abyss of birth to death mentality.

At General Tinio Macapagal family compound today on edge of Rio Chico, we have another electric blackout today because the OPEC military energy wars succeed in price fixing shown on TurnOffLights.com SolutionSafeWater.ORG. These were delivered to Saudi Arabia embassy on Thursday with Gloria Reyes as fossil fuels are not longer needed with free hydrogenated Power and free world water. Patent applications of phoneCradie.com IseeStand.com Turnofflights.com were last filed summer of 2011, then spring 2012 as I sat in HELL-JAIL for 858 days (actually 867) denied ALL my rights to be immediately released INTO federal Witness Protection Program because of the most massive antichrist crimes against Humanity conducted BY Robert Dee Rose that has NEVER been investigated by anyone but myself. This is why USA GOV personally owes myself and teams Press Conferences, abject and critical apologies, and THEY pay my teams over \$500 USD Million in SF-91 Federal Torts Claims real and punitive damages based only all ALL their own evidence held by the most corrupt officials of our black shadow government courts and judicial law enforcement systems. Over 85 to +100 individuals all face open public OCTV forum joint trial so their collective victims can post the most damning questions to each criminal as our world hears their confessions as they break down in indicating their co-conspirators and even face death row. I do not even need to attend these massive Congressional Investigations and court trials as all evidence was always disclosed and dissect disseminated this entire time. Oh. TOO MUCH convicting evidence appears to be the true reason for total denial of all my rights and WHY your rights are criminally denied. Takes Money to hire a liar -lawyer to represent your best interests to recover your stolen assets and rights. Since criminals have already stolen the evidence, grafted law enforcement and judicial judges to destroy and manipulate any and all evidence, the true crooks use your assets to commit crimes against humanity of cybercrime terrorism of WW3. For the worst black plague in history is the ability to control manipulate the data and flow of free information of FOIA.ONE.

Nothing left to add. Reference Revelation 22 Eden restored, John and the Angel, Epilogue: Invitation and Warning with focus on verse 18 and 19. For g19 was the codeword I gave FBI agent 'Janet' in Nov 2010 when she asked IF I worked for the USA Government. I did not verbally answer. I simply nodded my head positive acknowledgement as she sat on other side of Glass barricade wall. I had accidentally bypass their FBI check-in desk by going through their garage and back stairwells since their security was SO BAD, it was simple to walk through their doorways as I even acknowledge to FBI agent 'Matthew' that I was present on the greatest international threats to THEIR security caused by ROSE. Same was stated in the Grand Jury Indictment by ATF special Agent William Banks as he LIED in every statement to convince the confused jury foreman to SIGN arraignment Dec 13, 2011 based on Dismissed Cobb County TPO 11.1.1171.99 showing Ms. Bashama and ROSE robbed my homes Aug 4, 2010, Feb 4, 2011 Marietta PD Report 1.11.2506, and subsequent mass robberies Oct 3, 2011 to present.

make more executive orders to restrict trade and travel on red flag false assumption that terrorism is conducted by individuals. That alone is STUPID in colossal ways. Terrorism is the #1 plaque of cybercrime terrorism. It starts with Identify THEFT and impersonating others in order to pervert information for pure criminal profit motive and

opportunity. This is basis for the original criminology campaign of eVOTE.one and FOIA.one that forever destroys all ability for deception and crimes in the first place.

SolutionManifesto.com and SolutionMilitary.com destroy crime networks by simple application of common sense, use of existing tracking and recording technology, and principals of enforced integrity and ethics. Using UNITYurl.com that is generated by universal standard engineering engine of Solution5sTeps.com, each community now solves ALL their own local and international issues by coming into agreement with each other in non confrontational mediated open public forums. Everyone who is concerned eVOTES.

I do a historical speech that I do not record. Why would I. Since I already did everything.

World rebroadcast. The new World Standard is SolutionManifesto.com as I updated IFJC2.com and NewZion2.com that was broadcast gifted to world BEFORE the Anti-Christ ROSE ordered murder for hire of the ONE true man of humanity who is here to SERVE all nations at all levels as #1 top world leader Consultant advisor like Billy Graham and John the Baptist, the disciples, apostles, and true fore founders of your new world society UNlocracy.com <http://client3635.wixsite.com/uniocracy/ifjc2-newzion2>.

Yes, 100% true, I have been victim of #1 cybercrime Terrorist Robert Dee Rose since Nov 4, 2007 as he alone extort blackmails and even murders eye witnesses of his most extensive infiltration of USA GOV, corporations, military databases and enterprises with AgileLaw.com and other clearCollarCrime.com RICO billion \$\$\$ valued crime network cabal enterprises. He remains free at OneOceanBahamas.com because each person with any authority violates Constitutional Laws starting with Obstruction of Justice, aiding and abetting these terrorist networks, and other crimes against humanity by their REFUSALS to simply HOST the required Press Conferences. For all these WORLD broadcasts are EXACTLY what topples the fake news media, destroys crime networks, transfers TRILLIONS of \$\$\$ of YOUR stolen assets back to you, my most beloved +7.6 billion people.

When world is EMPOWERED by the ONLY answer solution series driven by eVOTE.ONE and one international open public database URLiDent.com, each person becomes the eyes, ears, and spokesperson of their communities to eliminate the original 3 Chinese Monkey syndromes of

1. See no Evil. 2. Hear No Evil. 3. Speak No Evil. Until everyone directly address the most massive corrupt politicians, corporate executives, and underground crime enterprises will our mutual world actually PROSPER and THRIVE with UNlocracy. My soon prophet step Son Ezekiel told me. "No Dad, there are FOUR Chinese monkeys. The fourth one is POOP no EVIL". From the mouth of your future spokesperson as he speaks the absolute truth that our world is being CRAPPED on in all respects because of Matthew Chapter 23 (123 punch) of bigots, racists, hypocrites, cynics, blinded fools, + criminal broad of true serpent vipers. This extremely large group are the Criminal Ruling Elite and their slaves who are bound to serve their masters or be slain by martial law, 9/11, terrorist attacks, poisoned food/water, and any other gas of the most deadly smoke and mirrors deception of uneducated masses of the proper words: morons, drug addicts, peons, imbeciles, sinners, criminals, and just plain lazy people who have no clue their own assets are systematically drained from their blood to empower those who are criminally in-depth.

The absolute #1 reality is that I work FEARLESSLY for GOD and humanity this entire time, all 59 years of my life. I have invested my life fortune, lost 90% of it to ROSE, Bashama, Duncan Clan (all of them), lost TO my pre-paid lawyers, LOST to USA GOV criminal agents, and of course LOST everything but my GOD gifted soul. For I still HOST PRESS CONFERENCES almost every day. SEE what happens when BidOnKeith.com GOES PUBLIC to world leaders once and for all... Yes, you owe me big debt by now. All those hundreds of hours of direct training and education and current result is zero... just like rest of world.. ground zero.... genocide of my world and yours...

False promises and inability to LEAD others is exactly why our world tumbles into genocide. False promises after being trained and paid is exactly why so many have victimised myself and most of our world. Here is todays world re-broadcast call for THEM to HOST PRESS CONFERENCES> GO to PRESS, USA GOV, and all top leaders with THIS and see that I have been RIGHTEOUS in name of my FATHERGOD this entire time.....

June 26 to 21 have been spent commanding our world WAKE UP, RISE UP, and overthrow all crime networks as the PRIME requirement to create total peace and world social justice. All of them while they were doing PITCH competition for new generation solution startup companies.

Tuesday, June 26, Our team is ON facebook.com/Philippine Inquiry 99 Radio/TV today as featured guest EVOTE.ONE TurnOffLights.com ANother PRIME world supply demand chain testimony to world is that almost everyone is a subconscious unconscious conscious objector. In War time, these Conscious Objectors use any reason to avoid taking responsibility, usually claiming the ruling elite are using their armies as cannon fodder. Now the super criminals like ROSE and top world UN-Leaders use the overwhelming force of false media propoganda, and promises of 'These things just take time' and 'we are SO SO BUSY dealing with your issues, we have not open time to meet with JESUS or equal.' yes, true. Jesus will NEVER RETURN, nor Mohammad, or Buddha or equal for the simple economical spiritual modeled reasons of "WHY WOULD THEY". Since my people remain blinded by their very own greed and self entitlement mindsets that have been fully capitilized by total control of your information, assets, and destinies. Most believe NOTHING can be changed about any of the current crimes against humanity since change requires action on their part. Since they are TOO TIRED chasing idol worshipping of Sex, Drugs, Gambling, theft, murder, rampage pilfering of everyone, WHY would they "RISE UP' to be in charge of their very own collective destinies. SO I return to Heaven when my FatherGOD calls me home. Might be NOW, might be 40 years more when I reach 100, might be never. For GOD can raise the dead at his decision free will choice. I can only raise the dead of the bubbling bungling idiots and blinded fools who are brain washed cult bewitched into thinking the ANTI Christ must overcome the world and rule everyone BEFORE GOD will ever intervene. so be it..... 10:06 Speaker Alveris Bill in Congress Bill on Mining Q by Melo. Blue (in 2007 year legislation passed). Melo won't let me ask Prime question as he states 'PRIORITY given to news media'. I am wearing my USA Press Association pass and am MORE legitimate than almost EVERY single broadcast media personality I have EVER met. I am the ONLY person using off-shelf technology at every level to record history. iPad Pro, Macbook Air, and iPhone combos. That are part of CreatorKeith.com all digital society started year 1976 NCSU Raleigh NC (PAMS) Physical and Mathematical Science. B.S. Degree in Computer Science Dec 1981. Maybe I need to get Foreign Press Club credentials, another massive barricade of all these walls our world erects to KEEP true men of GOD from leading our world into New World Society of total peace and social justice. HYPOCrites and nay-sayers remain most prominent including the majority of our political (NON) leaders. For they focus on re-elections, fulfilling campaign contribution bribes and kickbacks, and fighting political cybercrime wars among the ruling Parties of domination of WILL of Majority of THOSE in POWER. Odd that I stepped up to microphone BECAUSE the local News Media people DID NOT and was rejected by Melo who works for Catholic Bishops Conference in IntraMurals, Manila. I have visited them over 5 times on same tasks of ultimate missions of mercy and grace and have ZERO callback follow-ups from anyone. Same occurred to my FatherGOD Jesus Christ 2,000 years ago.

Melo at 10:16am asks about how to remove family Dynasties. Atty Nasser Marahomsalic is former Commissioner of Human Rights (blue shirt) We visited Commission on Human rights again on May 15 and have YET to have any callback. We met (susan, Nini, and I) with three of their investigators just last week at their offices.

I ask my two most critical questions at 10:27am. By definition, Indigenous people are remote from cities. 1 Do they have access to Public education. 2. Do they have access to legal help (Lawyers). Attn Nasser answers until 10:29am. Melo asks about Lawyers (access to education and lawyers) to Timuay Datuwata (answer in Tagalog).

Zeny asks Q at 10:31am (video5). 10:37am. Mindinao civil wars he speaks on exPres. Ramos.

I completed first and last Universal human bill of rights on SolutionManifesto.com All crimes ARE a violation of human rights. Absolute BASICS. Anyone who has a child is a Father and Mother. The name FATHER is normal and common, just like Dad, Pop Pop, and Mother Mom. Roman Catholic Priests ALL go by name of Father xxx. And they CLAIM no one else can EVER use the name FATHER because that is reserved ONLY for ordained R.C. priests. HYPOCRITES arise since how many of them actually DO have children out of wedlock. SOLVED forever once the hold-outs R.C. do just THREE actions. 1. Permit Divorce laws in Philippines (the last country to PREVENT divorce. 2. Permit Women and Men Priests. 3. Permit marriage of Priests. End result: a few years from now, the POPE will be doing Mass for billions of people. He will state: "Today I want to tell you the HELL that occurred in my own household. Here are my wife and two kids". The people will look up and say " OH MY GOD!!!! He has problems just like the rest of us..." Now everyone is normalised under ONE single UNIVERSAL Constitution Law and SINGLE Human bill of rights.

Anyone accused of a crime will stand trial with Open Circuit TV when the accuser and accused ask each other questions over Shared FOIA.ONE video mediation. The public will now be the Judge and Jury voting on WHO has committed the first violation or crime. Only those who identify themselves with their International ID - IID can vote. The public can also vote on the punishment and the restitution (payback for the Real and Punitive damages). My ruling BuiltByKeith.com Intellectual Property Copyright of all these gifted solutions have already claimed 1% of the crime assets and real and punitive damage awards as our transaction fees. These fees are already pledged to pay for free wifi for ALL public schools and villages with SOLutionHousing.ORG WorldSchoolFund.com and other final humanity saving solution human rights programs. Have you ever studied the mathematics of Chaos Theory. Small variations in any dynamic environment can cause huge shifts in cause and effect outcomes. Predictive analysis is also one of my talent gifts based on forensic observations of reality. By modelling through statistical methods and observable repetition, one of astute gifted persuasions and extreme persistence, can show the probability of outcomes. So I have stated that ROSE will be seized once any number of persons actually UPHOLD Constitutional Law. Properly he is a true ANTI-CHRIST so that all churches will also SEEK OUT and Capture this ultimate hardened criminal terrorist. Can't be this hard after 10 years of the most extreme crimes being committed by ROSE to steal my Intellectual Property and all my assets by SO many specific identified criminals to threaten my life thinking NO ONE will ever lift any finger.... Waste management at UUCP May 16, 2018. Dr. Meliodia Palaypay has not showed up. The most major WASTE is Political Corruption and Cybercrime terrorism conducted by the Criminal Ruling Elite. The most massive reduction in waste is by elimination of all crime networks and the resulting transfer of TRILLIONS of \$\$\$ crime wealth back to my collective people of 7.6 Billion People. Evote.ONE drives FOIA.one using UNITYurl.com at community level for everyone to solve their very own local issues. Community watch is now universal with Open Circuit TV with microphones and speakers accessible over free IseeATT.com or equal high speed fibre optic networks owned BY our people.

These funds now used to pay for construction material, engineering architecture, and pay for labor to build thousands of new all digital Creative communities that have almost zero impact on green eco-social cultural societies as everyone focused on conservation rather than being demonic self-consumers of greed, power, and domination.

For fear is the basic motivating factor that causes our world to succumb to the demonic propaganda of BUY NOW, pay later. As even the Bankers and insurance institutes prey on those who live beyond their economic means and ways.

SolutionHousing.ORG provides almost free safe home communities for 7.6 billion people of UNlocracy.ORG. As my people now own everything from the infrastructure, open public free schools, water, energy, marketplaces, the communication backbone networks, the agricultural resource, the stock market, and all aspects of humanity.

Never has this been accomplished because of the overwhelming control of the criminally inspired family dynasties who command the slave traded factories of commerce, trade, manufacturing, transportation, and the fixed pricing of bank loans and all commodities.

May 3, 2018. Freedom of Press Media Day in Philippines. Press Conference at Anabella Restaurant on Tomas Morato Ave. with 70 top journalists. Attacks and threats against the Press is rampant and horrific. The Press Release titled: 'Speak Truth to Power, Keep Power in Check' is a 2 page description of the current state of targeted attacks of the media by Gov officials to dominate and control the news. Keith: I remain 100% neutral just like the the most prolific broadcast journalists report ONLY the evidence independent of external pressure to twist spin the facts.

SolutionJudge.com also applies to not only officials of the court, but also to Journalists. Most controversial aspect is the protection of source information so reprisals will not occur including death threats and imprisonment. This is also WHY I was held political prisoner of cybercrime warfare based on key certified documents that remain worth excess of \$500 Million USD for real and punitive damages and demanded Press Conferences By our world leaders to reveal WHO IS WHO, and WHO owns WHAT, and WHO is telling the truth versus massive dark shadow criminal cybercrime conspiracy attacks against our gov, corporations and my people.

Audio1 10:40am. Audio2 10:41am on media murder victims. Lazada was a top journalist killed associated with a famous mayor. Murders under Duterte 9, Aquino 9, Arroyo 5 (exclusive of 33 Maguindanao Massacre Nov 23, 2009), Ramos 5, Estrada 3. At 11:04am voice recording. I ask the most critical question of the Forum + Group. Does Philippine Military and Police offer support and protection during critical events? The answer is NO and has been asked repeatedly at any forums. This is a KEY and commanded need for the AFP and PNP Public Relations groups to be engaged directly with journalists so the TRUE news can be freely reported. This massively reduces the attacks against the media because we are WORKING DIRECTLY with Law enforcement experts as they are now [SolutionMilitary.com](#) Peace Keepers as Criminal Investigators who PRO-Actively work WITH the communities. Most people gamble and BET on the winners as the political Parties are prostituted in bed with underground crime terrorist RICO cabal organizations. NO one ever successfully exposes ALL crime networks at one time. Cutting off at the head of a crime enterprise just enables others to fill in the GAP. Same occurred with all the assassination attempts on Hitler (WW3) and even the murder for hire attempts on Keith Brent Duncan by so many specific criminals on [TheFinalTerrorist.com](#) repeated for now +10 years. Danilo, Bonifacio liagan, Joel Lamangan, Joel Saracho, Inday Espana-Verona (on panel. Former ABS-CBN News-Current affairs), and Prof Danilo Arao UP College Mass Comm.

So many people are attacking Duterte's administration for repression of the press. Biblically odd as I work FOR all world leaders and press showing them all the TRUE pathways of Jurisdictional Prudence, social justice, and total world peace. The conversation is on the murders of Journalists who record critical and often hostile situations. Many governments immediately ban journalists who associate with known human rights activists. This happened as the Palace (Duterte) banned [rappler.com](#) for reporting on critical economic and war events. The answer is to embed journalists WITH the Government so the REAL news is fact checked and NOT censored.

This all occurs with FOIA.ONE. Video on iPad at 2:38pm is short and powerful. Typical for my life reporting on the true cause and effect of the economic holocaust apocalypse of cybercrime terrorism conducted by ROSE and other most satanic demonic ANTI-Christ cabal RICO crime against humanity enterprises. Most are quick to identify as shell and shelf companies are registered to avoid detection while they secretly transfer assets, cash, and resources between the network of underground web based electronic crime enterprises.

Lives of journalists are equality with rest of society yet they are often threatened with death and retribution because they expose crime networks and evidence. Few journalists also provide the SOLUTION Methods to STOP, PREVENT, and ensure society actually enforces Ethics and Integrity. This is also my most extreme frustration that no publicity of true merit has ever occurred since Jan 15, 2008 when ROSE threatened my life thinking I would NEVER get my very own \$109,800 USD 3 promissory notes paid back due March 2008.

At 2:55pm, nice ABS-CBN journalist next to me asks audio recorded q in Tagalog to Ms. Inday Espina-Varona. This is 16min audio ending 2:57. Audio 2:57pm host asks in Tagalog next sequence. - 2) Minimize corruption = the root cause of poverty, lawlessness, and criminality.
- 3) Empower our people in the running of our government and administration of equal justice for all.

March 25, 2018. BBK20180322-TrueReality-PalmSunday-1064.pdf Back at UUCP Palm Sunday service as Presidential Spokesman Harry Roque is on row 3, I am on 6 with Nini Valera. They sing my favourites of Gloria in Excelsis How Great thou art, Hosanna. Guest speaker is Dr. Luna Dingayan President of Economical Theological Seminary and is key leader of the Church of Christ here in Manila. Scripture is Romans 8:26-30 and Luke 4:18, with Matthew 24. Sermon starts 10:34am voicerecord. Title: To be like Jesus, and change the world. " This is the KBD mission statement of 'Act with the Authority of fearless people to protect the rights of all others'.

Dr. Luna speaks about human relationships that is the true basis of why GOD created humanity. Jesus re-entered his prime JerUSAlem centre of worship on a humble donkey to mass greetings of crowds that saw WHO HE WAS and how he was a humble servant representing GOD's Sovereign rights. Same as here. 3 years ago I am in China preparing for mass pilgrimage trips to JerUSAlem, EmmaUS, Rome Italy. April 1-5, 6-16.

Jesus was denied all his rights because he overturned the criminal tables. Same as myself. Luke 9:16, John 10:1, Luke 24:33-40, John 13:4-6 are the stain glass windows in this prime place of worship.

Prophet Isaiah stated to bring the good -best news to the poverty stricken people. Grass roots reformation occurs when our people RISE up to command their leadership over those who are the crime ruling elite. K: Now the cybercriminal terrorists rule our world at all levels. In order to be like Christ, we must go back to the basics of our faith. The most powerful commandments are two. Love our GOD with everything. 2. Love your neighbour as yourself.

K: This is basis for original fixYourSelfFirst.com ReManaDate.com and first major website BOASOS.com. Business owners Advisors S.O.S. as everyone needs help to bail themselves out of cult brain washed mentality that being in debt and enslaved are their own choices of life. In bondage to vice, crime, sins, most people have no clue how to bootstrap their way to leadership positions.

To be like Christ is to serve others fearlessly and faithfully. Singular decisions to serve others is the true answer. Ecumenical is defined as working together in communities of faith, grace, social justice and world peace. In Gospel of John, the commandment was Love each other. To Change the world is to LOVE each other. K: to empower our people to fearlessly protect the rights of all others as I have done my entire life. For the Matthew Chapter 23 bigots and racists are the criminals who slander and libel others to justify their own lives of crime.

He speaks about the Wed UUCP forums at 10:58 am. to enlighten our people with education on HOW to solve these major world problems. Already completed with application of Solution5sTeps.com at elementary level. To be a World Changer is to love GOD with all our strength. Physical prowess. Where I served prisoners, guards, and everyone I have met, this entire time. End result is SolutionManifesto.com that eliminates all the cynics, hypocrites, racists, criminals, corrupt corp executives and gov leaders all at one required time. When IS the time? Bible says only GOD knows and a few of his chosen people known collectively as messianic messengers.

Disciple asks Jesus who is the greatest. King Solomon is discussed and his wisdom of how to serve others. Money can not buy internal peace and harmony. Sermon closes 11:09 am.

Rev Francisco Aviso Jr. UUCP reflection speaker speaks intro at 1:20pm. Audio 1:35 on basic human rights violated by the most corrupt gov corporation system in world history. Francisco speaks at length on new layer of red paper tape bureaucracy conspiracies that create pure tyranny by a select very wealthy few. Social Justice, housing, sovereign rights, freedom of press, to assemble peacefully to resolve issues (UNITYurl.com) even nuclear weapons (solutionMilitary.com), Climate Change (turnOffLights.com) SOLutionSafeWater.org). Charter change defeated by cock fighter politicians because of the crime benefits they protect.

I spend most time audio recording and some video recode recording as Charter Change ChaCha is how to prevent tyranny change of Constitution power on false premise that NOTHING can change without consolidating ultimate power with just a few people. Since EVERYONE else is indecisive objectors who argue and fight to the death for their brains all say 'What's in this for me...".

At 9:42 am, iPad video, he speaks about contracting out responsibility. Most in Tagalog so I record video + separate audio. I broadcast everything. WISH I had the free wifi already installed for entire world at MY NGO direct funded expense. This WOULD have occurred 7 years ago since every one of my DAMN rights has been denied for now +10 biblical years.

Labor discussion about hiring and pay of security guards at 9:44am. There are more guards in Philippines than anywhere I have ever world visited. They make 15,000 Peso per month in Manila, down to 300 peso per day in famous Tagatay and remote providences = \$6 USD per day. Minimum wage is NOT the answer as I went to Philippine Trade Union Secretary below on Wed March 14.

At 9:48 am, Allan explains how labor relations are horrible. Nini and I passed #MMBMovement mx-car rally starting outside DOJ at 8:45 am. as Bong Bong Marcus continues to call for impeachment overthrow of Vice President Leni Roberto from Oct 2016 election results. Horrifically sad state of world affairs all solved by 4 simple by-pass laws of EVOTE.ONE that creates your new world society.

All this TALK TALK TALK and massive meetings by all world top leaders does NOTHING but prolong the misery of my 7.6 billion people as no one has ever created a new world system that is self regulating and empowers all my people to destiny decide their own near future.

9:52am Melo asks Joel a very personal question in Tagalog. Tidemark 18:00 on my iPad Video on new replacement snake light support system I created year 2008.

9:52am new video about foreign investors who demand lower labor costs. Atty Allan answers about true service providers. Labor standard benefits discussed. Administrative fees is 10%. This is another tax middle man broker that breaks the ability for my people to actually earn a decent wage living. Call centres discussed 9:56am 300,000 people are employed mostly Manila, Alabang, Clark Military base area as I have personally researched and experience interviewed hundreds/thousands. Huge complex buildings like Wells Fargo, IBM, American Express, and most major banks and conglomerate tycoon dynasties use slave labor to enrich themselves for past centuries. Why waste words... call it terrorism as that is anyone who perverts any organisation or government for personal, financial, and/or political gain.

New segment with Joel at 10:02am video. He states governments role is to generate JOBS. WRONG. TOTALLY WRONG. Gov role is to create free trade, travel, eCommerce of all small business owners therefore almost NO government and taxes is ever needed again. Utopia is easy. Atty Allan at 10:04 speaks about presidential executive orders, Duterte can not modify existing legal laws and codes.

Drug issues discussed by Melo Acno at 10:06 and PSA (Philippines statistic authority). He mentions GMA (Gloria) job training programs. This solved with [TeenMM.com](#) based on what I did age 13 forward = 46 years serving world + GOD. Few of the 22 journalists behind me do anything but sit without writing or recording anything. I used and published this starting 10 years ago as a film maker who already has created legacy heritage that changes all world history, most humbly stated this entire time.

2 Billion USD stated at 10:10am. Not sure context. 10:11, Manila Pavilion historical fire q asked by journalist. BFP I spoke with directly fire captain who was previous barangay Captain as most of the volunteer fire trucks (over 100 yesterday) are manned by village leaders.

of the job workers, not the foreign investors ability to plunder this slave market that has been occurring for +500 years now since Oct 31, 1517 Martin Luther reformation revolution Messianic Messenger missions.

new Video 10:30am, summary on Labor relations and progress. Audio is 1 hour 9 min. Last 12 min can be cut.

Attn Allan does not even accept my very small WORLD revolution handout and card with Press Release. Too busy. His cell is 0918-929-9334 Asm_FreeWorkers@yahoo.com

Second segment is on Barangay elections and issues on voting rights and plunder fraud. All solved YEARS ago with legacy SolutionGovernment.com now eVOTE.ONE

Counselor is Ricky Corpuz, Undersecretary ?? Is dark shirt (mustache) 2nd person. Lorenzo Zuniga Jr. first person, Atty Edmond Abesamis. #4 is General Eduardo Ano is Officer In Charge DILG. Attorney Edmond Abesamis is #3. National Pres of Barangay Captains.

Drug war discussed video 10:45am, timestamp 4:30min. 43,000 barangay captains crisis is election result fraud and subsequent plundering of assets by captains engaged in gambling rackets and drug overload overlord pilfering.

Audio started 10:53am. Election May 21, 2018 scheduled is under debate for 3rd postponement since no one on earth knows how to RID OUR WORLD of any corruption at any level.

The impossibility of any of these only answer solutions becoming YOUR standard only best practices is because of the most massive cyberime terrorism attacks, blind greed, and control of flow of information that is perverted by these prostitute terrorists who rule with impunity and immunity.

Discussion is extension of 3 term limit of 3 years each to terms of 5 years. Proposal is to re-align on Oct 2018 elections. NOTE to self. My earpiece was plugged into iPad, so audio for last 30 minutes wasted. But I have it on MacBook to re-match later.

Still in Tagalog dialect so I focus on what I can understand. If I had free hi speed fibre optic wifi internet, I would be using live stream audio translations real time.

General Eduardo Ano is Officer In Charge DILG. He is 4th in row with glasses and white shirt. Speaking at 11:03am. Attorney Edmond Abesamis (glasses) is #3. National Pres of Barangay Captains.

K: the total waste is the taxpayers and campaign contributors being plundered before, during, and after each election worldwide. Politics has been legally criminalised just like almost all other vice-sins.

New video 11:14am with 5th guest in purple shirt. We are also waiting for new Acting Chairman of Comelec Commissioner Al A. Parreno as I, kbd, personally went directly TO Commlec over 6 times dura just past 2 years. ZERO call backs despite speaking and showcasing them these exact same world answers.

Open Circuit TV with mics virtually and literally eliminate all corruption worldwide for each reason publish stated gifted this entire time of extreme satanic tribulation. K: most pastors say Satan must rule Earth 1,000 years before Christ returns. Who says? As most I have encountered are hypocrite teachers of false biblical laws. This is also the true reality of your world.

Councilor Ricky Corpuz is #1 guest on Melo's left speaking at 11:19 am. he speaks on criminality. Barangay election validation is repeat q. New Video 11:29am #5 appears to be a Priest or religious leader. His purple shirt says V.A. Valmocinla. I am down to 15% macBook battery since I stress the heaven + hell out of the same technology I pioneered starting Aug 1976. Attorney Edmund states "hook line and sinker" at 11:34 about Roman Catholic church. My prime issue with R.C. is their almost total lack of evangelists and missionaries as they are mostly 'TOO BUSY' counting collections and rosary beads and do indeed, brain wash their parrishes to perform rituals of prayer and ?? To appease themselves of their sins, crimes, and vices. Yet seldom being education informed to MAKE it right with their victims as these priests called

HOLY FATHERS are so often hypocrites. The single word father and mother are reserved for those who have children.

Q from journalist floor on video 11:37am restart. DILG discussed by #2 dark shirt mustache. Zeny asks Q at 11:39, opens with reference Apollo Quiboloy. Her Q is re Internet addiction. She speaks on Tree of Knowledge. Response is about Human Trafficking. I went to DOJ human Trafficking director many times 9 months ago, Cybercrime Interpol groups, and everyone else GOD sent me to meet.

GodSendKeith@gmail.com is GodSendKeith.org

Campaign against insurgency and terrorism mentioned. Stopped with OCTV auto-face recognition already gifted to world years ago. Mac battery 6% must shut down soon. iPad is still recording. New audio at 11:45am. As Attorney speaks about 'cleansing the barangay captain ranks.'. 50% of the captains involved in numbers gambling rackets and drug shabu kickback protection mafia.

11:55am battery 3% so I shut down final audio recording, iPad is still alive active, just like myself, son of humanity....

March 12, 2018. At Tapatan Aristocrat on Chief Justice Ma. Lordes Sereno who is the first CJ lady in all of southeast Asia. Voicerecord at 9:45. At 10:02, Host Melo Acuna states he spoke with Sereno who is on indefinite leave and recent Press Coverage that she demands ' Her Day in Court' just like myself at all levels to testify to world on HOW to UNIFY. At 10:05, Prof Danilo "Danny" A Arao is College of Mass Communication U.P. with 250 students out of 10,000 ? at this prime WorldSchoolFund.com university. I already gave him eVOTE.ONE and key HOW to unify world.

At 10:09am Senate-congress is all about Politics regarding impeachment process. All about crime family dynasty control over who is HONEST and who are, lets be honest 'terrorists'. The definition of a terrorist is anyone who perverts an organisation or government for 1. Personal 2. Political 3. Financial gain. OH MY GOD OMG - does this not describe almost every corporate executive and Politician? Surely I have decried and decreed to entire world that POLITICS is eliminated forever with eVOTE.ONE using #2 RULE of empowerment to electronically kick the living HELL out of any demonic satantic leader.

At 10:12 am, Hon Castro states that impeachment process is normally reserved for filing by Representatives. He states ANYone can file impeachment. On the same day that my friend VACC Dante Jimenez filed the impeachment formal charges, he met me for 1.5 hours at New World hotel Manila to showcase eVOTE.ONE and other answers including SolutionJudge.com

At 10:22am Melo asked CJ Sereno the 'step mother' syndrome. Described as a 'cat fight'. Philippine Inquirer. Prof Arao speaks about men CockFighting, yet men fighting with politics is accepted and legalised since our people have no clue it's all about criminal profiteering by most who are part of family dynasties who divert our God's gifted assets into their confined coffered coffins of secret accounts. Buried under true red tape bureaucratic conspiracies that no one will ever take time to link and unravel.

Restart of 2nd audio Record at 10:26 am with Prof Arao. Of Q&A forum. 1st is 37 minutes long.

Appointments of justices is also a root issue of who controls the process of selection, approvals, and dismissals. New Voicerecord 10:25am includes my key questions and responses.

Q&A at 10:40a ask the most prime question of all. Can Congress empower all people to electronically VOTE any leader OUT of office.... Plunder is the key world of political corruption. Persecuted or prosecuted discussed at 10:42 am. GMA (arroyo is discussed now). Cousin of Felix Macapagal, my B666 host since historical Nov 4, 2017 when I show up with exactly 666 Peso in my wallet, nothing more.

New audio 10:44am as Prof. Loretta Ann P. Rosales, Frm. Chair Comm on Human Rights arrives. Lawyers are discussed now, solved forever by SolutionJudge.com that has existed since back in 2009 prior to worst crimes against humanity.

Q from Melo to Arao about Constitutional crisis. New audio 10:58am. Supreme Court (11:03am) must be empowered to uphold law and not be embroiled in crime party politics of control. Attorney Lorenzo Gadon arrives now Complainant Impeachment case vs CJSereno.

I ask another KEY world question at 11:15 audio on Ipad. A verbal battle between Gadon and Prof Rosales breaks out in outrage at 11:24am. So so much TALK and so few ACTIONS as I just gave prime WORLD press Release to ABS-CBN journalist who Nini is also exchanging phone numbers.

March 11, 2018. At Blessed So Church on Timog Av Sunday with Pastor Harim. Nini Valera goes with me on my Motorcycle at 9 am. About 350 attend 10:30 am. Located near GMA network on EDSA. Info @churchSoBlessed.com 943-516-5030 April 7 concert. I text message famous singer Dulce and a President of Rotary Club on eVOTE.One and SolutionManifesto.com. Scripture is Genesis 35 about Jacob and GOD. Guest pastor speaks on horoscopes are not spiritual. Foreign Gods and worshipping vice crime sin idols are the root of all evil. My FatherGod remains outraged that few people actually fearlessly protect the rights of all others. Few actually have a personal relationship with GOD, Christ, and masses of their fellow human beings. All because most are scared to death of being scammed and taken advantage of by others. Verse 5. Demons are afraid of you. K: Same is ROSE is terrified that anyone will seize him for the most massive crime spree in USA, perhaps world history. He speaks his first motorcycle was 70cc. Demons know the authority of GODs holy people who exercise integrity and social justice. 1 Samuels 7:2 "It was a long time, twenty years in all, that the ark remained at Kiriath Jearim, and all the people of Israel mourned and sought after the LORD." "And Samuel said to the whole house of Israel, 'If you are returning to the LORD with all your hearts, then rid yourselves of the foreign gods and the Ashtoreths and commit yourselves to the LORD and serve him only..... And I will intercede for you.'" Israelites slaughtered the Philistines.

He speaks about the sin of PRIDE. One will not admit to a wrongdoing because of vanity. Applies to most politicians and corporate executives. Even many religious leaders commit sins and vices and cover up as false teachers of the laws of our land. Jacob is renamed Israel. The name Jacob means 'deceiver'. Genesis 35:10 Point 2. 'Your life and character change. Genesis 17 about Abraham at 99 years old. Rev Billy Graham just died last week at age 99. Abram was renamed to Abraham and established HIS covenant as everlasting commandments between GOD and his creators. This is SolutionManifesto.com

Pastor asks if accepting GOD has created changes in your life in maturity. Exodus 34:29 "When Moses came down from Mount Sinai with the two tablets of the Testimony in his hands, he was not aware

that his face was radiant because he had spoken with the LORD.” 2 Corinthians 3:7, verse 17-18 the New Testament and covenant. The glory of GOD is suppose to be ever increasing.

Point 3 You receive a deeper revelation about GOD. Genesis 35:11. “... I am GOD Almighty; be fruitful and increase in number. A nation and a community of nations will come from you, and kings will come from your body.”

K: From Solution5sTeps.com is stated: Is it not clear by now [WHO I AM](#). Even my GodFather claimed through scripture that only FATHER knew when GOD would return his favoured Saviour Grandson to Earth to save them from their own greed and forceful vice idol worshiping ways. For I AM Keith Duncan, the true son of Humanity Mankind, who has been mercilessly and vindictively persecuted despite having #1 impeccable integrity credentials. I travel the entire world looking for the next places of greatest needs. I have contacted everyone with focus on all Churches, Press, Law Enforcement, Government Officials, Military, and literally the entire world of +7.6 Billion people in all Babylon languages. As the 'BABLE of talk' is a crime when NO one serves and protects all rights of all others. [Support Keith's final efforts](#) as all the criminals want to steal and use my Intellectual Property I published to dethrone Satan ROSE + all others. This is stopped with the deadly force of Keith's right hand (Job 40:9-14) as these broadband video showcasts are irrefutable when the public simply uses all these solutions and joins UNITYurl.com today. I truly wish to return to Heaven soon since no honest persons or other Messianic Messengers have yet to be found. I choose you. Are you one? SolutionManifesto.com ChristDomain.com SolutionIslam.com Unify our entire world, one relationship at a time, just as my FatherGOD original created and designed...

12:25pm service continues.

Then at Apollo Quiboloy SMNI broadcast centre 3:30 pm to 7:30 pm. We finally leave as the crowd is being brainwashed for 3 hours with MUSIC praise ministries since Apollo uses this to DEMAND obedience to his pastoral deliveries that HE is the Appointed Son of GOD. I have asked to debrief him with all other religion and world leaders for new +7 years to ask him if HE is the ONLY messianic messenger and WHERE is Jesus + GOD.

The most shocking motivating reality are the crimes against humanity occurring world wide to drain the life blood from my people. Few if anyone sees the AntiChrist plans that reveal self Genocide of human race at ROSE and satanic hands. All done out of smiley 'profits are the only goal that matters', 'there is always more money to be made in the market', and HOW can one murder, rape, pillage, and plunder for pure profit and never be held accountable for anything. Pure layering of criminals by red tape paper chase conspiracies is the true reality of Cybercrime terrorism.

Almost all of my world is 'too busy' mindlessly worried about anything that affects their security, self-benefits, pay, and ability to overthrow others for personal financial gain.

Then met a new Sultan Abadullah, Christian pastor of a new reformation movement who immediately incorporated my work into his ministries. He believes in Flat Earth society that is truly bizarre in original thought processes. He is similar to so many of my world people who are brain washed by absolutely STUPID brain washed propaganda to believe the worst lies about true reality. Told lies repeatedly with idiot logic, most people have no clue they are slave traded by AntiChrist MonkeyKing.info rulers.

Exactly WHAT is the prime objection of ANYONE, including focus on WORLD leaders to NOT use any of these world saving answer solution methods... Is it pure BLINDED GREED and super criminal enterprises that RUN our entire world.

Clearly YES. For this has always been exactly what is occurring throughout history. The Rise and FALL of mankind since few ever learn how to actually fearlessly protect the rights of all others. Same occurred to most great Fore Founding author inventors broadcasters of TRUE social justice and peace. They were often kidnapped and forced into HELL jail as political prisoners of the top religious leaders and politicians to PREVENT the showcasing of the actually lowest level and most highest criminal enterprise linkages. This is the total web of deception as THOSE who control our electronic databases and have SECRETS are those who control entire world.

SOLVED forever and PREVENTED forever with these only answer solutions that are truly 'unhackable' and fathomable in our new world society. Based on 100% decision based Will of Majority of our-my 7.6 billion people, our world decides to self destruct or prosper the ultimate free will choice of collective mankind. From Chicago Illinois as I was expecting this to be a LOCAL with all these World leaders present. I am sorely disappointed for obvious reasons as Andy Stanley is one of my own prime pastors from NorthPoint Community Church Alpharetta Atlanta GA and CEO Facebook. Why has NO world leader or even lowly indigent person actually completed what I have gifted world: How to unify.

Bill Hybells (67Yold) from Willow Creek is reading his presentation on table 18 leadership Crisis point. Instability of society caused by dis-respect. He speaks about worker attitudes and performance. WRONG direction just like rest of world. Only by creating entire world of small business owners who OWN their own communities, factories, services and products will humanity actually PROSPER and THRIVE in PEACE to the end of eternity. Senior Leaders seldom actually work directly with our young people and have ability to actually MOTIVATE our older groups to TAKE ACTION to Fearlessly Protect the Rights of all others.

Sermon: 'respect everyone always'. Intrinsic dignity. 1 Peters 2:17 "Show proper respect to everyone." He claims he had to 'earn his keep'. Who has earned MY keep. WHO has done a 'DAMN' thing to respect the rights of all my followers, disciples, apostles, prophets, even saints who I have been recruiting and training this entire time. 9:49am Point 4 Incidenary words. Point 6: Leaders must apologise immediately if they err. Rule 8 must form options carefully and stay open minded if better info. #9 Must show up and do what they promise. K: Matthew Chapter 23 is the most direct exposure of hypocrites, cynics, blinded fools, criminal brood of vipers, bigots, racists, and others of AntiChrist attitudes of the Criminal ruling Elite.

He speaks about tormenting your little brother (for fun). They remain TOO busy and 'crazy' with data overflow. K: I have reflected all the sins vice crimes of our world BACK to my people since no one else, with few exceptions, have ever successfully changed the course of any history WITHOUT going PUBLIC with pure common logic of what this has always been: UNIFY all mankind.

So unique, it's WOW factor can not fathom the cause and effects. Multi-Sight site church technology is simulcast broadcasts as Andy shows up at one of his churches (unannounced where) to speak to his follower-partners in crime. OH I meant Holy worship partners in fighting crime. Willow Creek created a new paradigm of educational two-way worship. Recognise rather than RESIST. This is the objections of top religious and corporate and government leaders who REFUSE to see that Solution5sTeps.com solves any problem.

UNIQUELY Better. **1. Be a student, not a critic.** He speaks of visiting pastors in back of early services who watch, and LEAVE. No one called Andy for lunch or to visit. WHY AM I the ONLY person going to all churches, including gifting Sandy Stanley the above 100% digital teaching system exactly Thanksgiving Sunday, 2010 right when ROSE antiChrist was robbing my Intellectual Property so many times, I lost count... and Ms Bashama showed up at NPCC single Christmas Party Peachtree Rd 1,000 herons event.

Or even threaten to arrest him for violating the sacred privacy space as most of these governments and corporations operate on criminal standards to commit fraud and other violations of basic human right laws because our world has LEGALIZED most crimes in name of the Almighty GOD named PROFIT, FEAR, and DOMINATION. Feb 18, 2018. Today is Sunday as I attend the Jesus is Lord Rally at famous Jose Rizal Park with at least 10,000 persons in attendance with Bishop Eddie Villinoveoa. I just spent last 3 days on world re-broadcast street missions and going BACK to many of the top government agencies to get ABOVE press Conference request to BE RELEASED to FREE my PEOPLE. That was always the prime center stone reasons why I have been the most above board evangelist crusader of all time BECAUSE of the most horrific crimes committed against me by all these satanic forces to PREVENT my people from rising up to be their own control managers of their own destinies as GOD's faithful believers who see these absolute truths and learn to FEARLESSLY protect the rights of others rather than being such sinners of greed and vice.

At 5 pm I am on far right front at Security checkpoint as they are helping me meet the top elders and visiting pastors from other nations. The banners are simple of 43th church anniversary. In Feb 1975 I was Junior Ragsdale H.S. Jamestown NC USA driving school buses, active Order of Arrow Boy Scout, and ministering to all I met then as in now.

Oh, this is NOT JIL. It is 500,000 member Jesus Miracle Crusader Ministry run by ONE single pastor. Is this another brain washed cult. I speak at length with one 65 year old Oklahoma former CaliBurton? Chemical executive who was a drunk and overseas expert for 30 some years. He claims ONLY by praying to Jesus will our world ever change. So I

custom gift him EVOTE.ONE christdomain.com and state the most obvious again. These are the ONLY divined ordained answers to UNIFY and reform all nations.

For 85 to 100 people to go PRISON for what they personally did, sign false witness as they ALL profited millions by deny all rights to testify against their OWN crime networks. his office # is 770 424-8326 as he PERSONALLY promised to GO to Berry Vic Reynolds 6 months ago and DEMAND VIC call FBI. No one has ever had ANY option but to CONTACT FBI and demand they CONTACT me. That alone will finally cause massive PRESS CONFERENCES. ANYONE can do this, all 7.6 billion people...the power of a high powered church pastor, congressman or anyone with authority is that FBI would NEVER deny them entry into a FEDERAL building when they are indeed showcasing so so many criminals tied directly TO ROSE by their own certified signatures. ONLY true statement made by ANYONE was AtF WILLIAM BANKS stated I went to LANGLEY on Intl Security Threats. he never stated ROSE or any other TPO.... #.... was the text..

Feb 10, 2018 ### World Press Conference Release Re-post The most tragic reality is CyberCrime Terrorism + Political Corruption. This has always been about A 'FRESH START' for entire world ONLY occurs with Mass Publicity to FINALLY UNIFY all mankind with EVOTE.ONE. This is ABSOLUTELY IMPOSSIBLE without rise up of all mankind of my Muslim + Christian Soldiers, Sailors, Air Force, Marines, INTERPOL, ALL gov Officials, all Religions, literally ALL of the human race. 100% true. Thieves, criminals, terrorists at all levels steal GOD's assets thinking no judgment day by EVOTE.ONE using URLiDent.com ONLY last final open public database Tree of LIFE versus eternal DEATH.

The biggest difference between little boys and grown men is the price and deadly use of their toys. This remains the most powerful UNIFICATION REFORM movement in GOD's name to finally destroy all crime networks all at one time. The Military now consolidates or collapses into one single criminal investigative independent force who look for corruption and crime when any local community refuses to deal with their own underground black market networks.

This is also a direct call for the most Intelligent merit integrity persons to RISE up to literally OVERTHROW all criminals once and for ever. The inheritance is NEVER by the 'Meek and Mild' but for our children, women, and communities of true faith and grace as no mercy should be extended to any criminal who refuses to immediately surrender as they are clearly collectively showcased to our world on URLiDent.com

The white hat and black hat hackers known as computer science gurus, sages, visionaries and even each of the Bill Gates, Michael Dell, Richard Bronson, Warren Buffets, General Powell, Andrew J Young, Jimmy Carter, and other great leaders of capitalism entrepreneurship now become leading contributing members of our new world society UNlocracy.

Each 'hacker' now contributes their profound pioneering knowledge and skill base to complete the solution5steps.com design and deployment of our worlds first and last open public database that leverages the 'HIVE' Principal of Law of Large Numbers of the Will of Majority of all people.

The Prime requirement is that anyone joining our world wide single society must publish all their financial information, ownership and even reveal any victims and debts they have incurred over their lifetime. This one requirement enables each person to 'pay back' restitution to any of their victims so they can re-enter society as a hard working contribution member of UNlocracy using UNITYurl.com

For our new world society is based on 100% truth, honesty, integrity, open visibility and accountability at all levels of lives. Once NO secrets can exist, no crimes can be committed and go unpunished. The dated deterrence is the publication and publicity of all financial and business transactions as showcased hundreds of times PRIOR to Robert Dee Rose ordering my kidnappings 3 times in Atlanta GA. He is indeed theFinalTerrorist.com who can never escape justice of 7.6 billion people who are beyond outraged with WRATH (righteous anger) that a single mastermind cyber crime terrorist can operate freely worldwide with , secure INC, Caribbean Supply Services, AgileLaw.com that infiltrates all major corporate and government databases to selectively delete any criminal investigations by automated SQL Delete triggers and just a few rogue criminal government agents. Some may even be inside CIA and NCIA (Philippines) and definitely have already infiltrated INTERPOL since I directly contacted the starting Jan 7, 2015.

Each 'saved' hacker is now generically known as a 'BACKER'. One who backs the integrity of all others by performing the required criminal investigation into any collectively reported crime and insures (ensures) each criminal goes to HELL-JAIL by making sure no crime investigation is forged, hacked, or deleted.

SolutionManifesto.com UNITYurl.com = SolutionPeace.com includes ONE world SolutionMilitary.com to destroy all WW3, civil drug/poverty wars forever...
